Dear Alex,

Please visit the webpage of the European commission Travel documents issued by third countries and territorial entities (Part I) ([europa.eu](http://europa.eu)).

In the excel file you will find Israel and information about the different kind of travel documents (Israeli travel document, laissez-passer etc) and what is valid for Sweden (SE in the list).

Please note that responsible authority for the border control in Sweden is the Swedish police. You will find information about entry to Sweden on their webpage [Border control | The Swedish Police Authority \(polisen.se\)](http://Border%20control%20|%20The%20Swedish%20Police%20Authority%20(polisen.se)) and you will also find their contact details on the webpage in case you have some additional questions.

Best regards,
